December 19 2005

To the holders of ordinary shares

Dear Shareholder,

BUSINESS OF THE 2006 ANNUAL GENERAL MEETING

I am writing to you in connection with the business to be considered at the Company's Annual General Meeting on Wednesday January 25 2006.

2005 Report and Accounts, Final Dividend and Auditors

Under Resolution 1, it is proposed that the Company's 2005 report and accounts, which is to be sent to shareholders on December 22 2005, be adopted and, under Resolution 3, that the payment of a final dividend of 11.00p a share for the year to September 30 2005 be approved. Under Resolution 12, it is further proposed that Deloitte & Touche LLP be reappointed as auditors and that the directors be authorized to agree their remuneration.

Directors' Remuneration Report

The Directors' Remuneration Report Regulations 2002 require companies to ask shareholders to vote on the report on directors' remuneration. A copy of the report is set out in the Annual Report. Under Resolution 2 it is proposed that the Directors' Remuneration Report for the year ended September 30 2005 be approved.

Re-election of Directors

Resolutions 4 – 11 deal with the re-election of directors. Pursuant to the Articles of Association of the Company ("the Articles"), any director who is over the age of 70 is required to stand for re-election at the Annual General Meeting. Accordingly, a resolution to re-elect as a director Sir Patrick Sergeant, who is 81 years of age, is set out in the Notice of Annual General Meeting. Further, in accordance with The Combined Code of the Committee on Corporate Governance, the Articles require all directors to submit themselves for re-election by shareholders at least once every three years. Accordingly, resolutions to re-elect NF Osborn, CR Brown, DE Alfano, MJ Carroll and CJF Sinclair are set out in the Notice of Annual General Meeting. Also, as required by best practice under corporate governance, all non-executive directors who have served for more than three three-year terms should submit themselves for re-election on an annual basis. Accordingly, resolutions to re-elect, JP Williams and JC Botts are set out in the Notice of Annual General Meeting.

Authority for Purchase of Own Shares

The Company cannot purchase its own shares unless the purchase has first been authorized by the Company in general meeting. Such authority was last given under Section 166 of the Companies Act 1985 ("the Act") by the shareholders at the Annual General Meeting held on Tuesday February 1 2005 and it is proposed to renew such authority for a further period which will end at the conclusion of the Annual General Meeting to be held in 2007. The directors are seeking in Resolution 13, which is proposed as a special resolution, to renew this authority in respect of 8,879,236 ordinary shares being 10 per cent of the issued ordinary share capital on November 23 2005. The minimum price per ordinary share, exclusive of expenses, for any purchase will be 0.25p which is the nominal value of the ordinary shares and the maximum price will be five per cent above the average of the middle market quotations for the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the ten business days preceding the date of purchase. The directors have no present intention of exercising this authority, if granted. This power will only be exercised if and when, in the light of market conditions prevailing at that time, the directors believe that such purchases would increase earnings per share and would be for the benefit of the shareholders generally.

The effect of any such purchase will clearly depend on the price at which it is made. On December 16 2005, the most recent practicable date prior to the printing of this document, the middle market quotation for an ordinary share of the Company as derived from the London Stock Exchange Daily Official List was 4.75p.

This resolution will also permit the Company to purchase its own shares to hold as treasury shares. Since December 1 2003, when the Companies (Acquisition of Own Shares) (Treasury Shares) Regulations 2003 took effect, companies have been able to hold shares acquired by the Company as treasury shares rather than cancelling them. Pursuant to these regulations, the treasury shares can be subsequently cancelled, sold for cash or used to satisfy share options and share awards under employee share option schemes.

The directors would consider exercising the authority provided by this resolution to acquire, and hold as treasury shares, shares to be used to satisfy share options (whether currently existing or granted in the future) under the Company's 1996 Executive Share Option Scheme, the SAYE Scheme 1999 and the 2004 Capital Appreciation Plan. The directors believe holding such shares as treasury shares will provide the Company with increased flexibility in managing its share capital.

The directors would consider holding as treasury shares any shares the Company repurchases pursuant to the authority provided by this resolution. In relation to any repurchased shares held in treasury, unless such shares are subsequently cancelled, earnings per share, excluding those held in treasury, will only be increased on a temporary basis until such time as the shares are subsequently sold out of treasury.

This resolution complies with the current guidelines issued by the investor protection committees and the directors will have regard to any guidelines issued by investor protection committees which may be published at the time of any such purchase, holding or resale of treasury shares.

Authority to Allot Shares

In accordance with the provisions of Section 80 of the Act, the directors are prevented from exercising the Company's powers to allot shares without an authority in terms of the Act contained either in the Articles or in a resolution of the shareholders in general meeting. Such authority was last given by the shareholders at the Annual General Meeting on Tuesday February 1 2005 and it is proposed in Resolution 14 to renew such authority for a further period expiring on the conclusion of the following Annual General Meeting or April 24 2007, whichever is the earlier. The authority will be in respect of 23,207,636 shares, representing 26 per cent of the issued share capital on November 23 2005. As at November 23 2005 the Company held no treasury shares. The directors have no present intention of exercising the authority, if granted.

Authority to Disapply the Act's Pre-emption Requirements

The Act requires that an allotment of shares for cash or a sale of shares held in treasury for cash may not be made unless the shares are first offered to existing shareholders on a pre-emptive basis in accordance with the terms of the Act. In accordance with general practice, the directors propose that advantage be taken of the provisions of Section 95 of the Act to disapply the Act's pre-emption requirements in relation to certain share issues or sales of treasury shares. Accordingly, a special resolution (set out as Resolution 15 in the Notice of Annual General Meeting) will be proposed which, if passed, will have the effect of granting the directors the power, on similar terms to that granted by special resolution at the Annual General Meeting on Tuesday February 1 2005 to allot shares for cash, or sell treasury shares for cash, otherwise than in accordance with Section 89 of the Act, in relation to rights or other pro rata issues or otherwise up to five per cent of the issued ordinary share capital. No issue of shares or sales of treasury shares will be made which would effectively alter the control of the Company without prior approval of the Company's shareholders in general meeting being obtained.

Voting at the Annual General Meeting

Enclosed is a form of proxy for use at the Annual General Meeting. Whether or not you intend to be present at the meeting, you are requested to complete and sign the form of proxy and return it to Capita IRG plc at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4BR, as soon as possible and, in any event, so that it is received not later than 9.00 am on Monday January 23 2006. The completion and return of a form of proxy will not prevent you from attending the meeting and voting in person if you subsequently wish to do so.

Recommendation

The directors are of the opinion that the resolutions to be proposed at the Annual General Meeting are in the best interests of the shareholders as a whole and unanimously recommend that shareholders vote in favour of the resolutions to be proposed at the Annual General Meeting as they themselves intend to do in respect of their own beneficial holdings amounting to 1,696,471 ordinary shares representing 1.91 per cent of the current issued share capital of the Company as at November 23 2005.

Yours sincerely

Padraic Fallon
Chairman
